DR. AMBEDKAR COLLEGE OF ARTS, COMMERCE AND SCIENCE, CHANDRAPUR

Various Activities for inculcating values for being responsible citizen as reflected in Constitution

As a part of Institutional Social Responsibility, the institution strives to inculcate the values amongst the staff and students towards making them responsible citizens of the country. The college is also dedicated towards sensitizing the stakeholders and making them responsible towards all around development of the institution and contribution to the society.

Celebration of National Days: Every year, the Institute celebrates Republic Day and Independence Day on January 26 and August 15 respectively. The celebration is attended by students, teaching and nonteaching staff and President and members of college management. The event comprises of Flag Hoisting with National Anthem patriotic song by students, address by the Principal and President of the society. The students and staff are made aware of the struggle of our freedom fighters and responsibility of the citizens to protect and safeguard the freedom and sovereignty of India.

Constitution Day: The Constitution Day is celebrated on 26th November every year. The programme initiates with preamble reading of the constitution followed by lectures on the sensitization of the students on responsibility towards constitutional values, rights and duties of citizens.

Environmental Awareness: The NSS and NCC units of the college organize Tree Plantation programmes to sensitize the students on preservation of the ecosystem and environment. The students are also sensitized to adopt green practices, conservation of natural resources, alternative sources of energy and renewable energy. On 13th August 2022, the NSS unit of the college, planted sapling inside and outside the college campus.

Blood Donation: Every year, Institute organizes the blood donation camp on 1st January, as a part of Institutional social responsibilities keeping in view the need of blood. The NSS volunteers, students and teaching staff donated the blood on this occasion.

Cleanliness Drive: The students regularly participate in the cleanliness drives on and off the campus. On 19th September 2022 the students actively participated in the cleanliness drive.

Induction of the Students on Values, Rights, Duties and Responsibilities: The students are made aware about the code of ethics, human values, rights, duties and responsibilities as a

student and also citizens of India during induction as well as other programmes throughout the year.

Human Rights and Equal Opportunities: The stakeholders are made aware about the steps towards inclusive society which has equal opportunities to all irrespective of their caste, creed, gender and religion.

Gender Sensitization Programmes: The stakeholders are made sensitive towards gender equality and gender neutrality through various events across the year.

Contribution toward National Disasters: The staff and students are motivated to help and contribute towards National Disaster. The NCC and NSS unit of the college collected the aid and ensures it reaches the disaster affected people.

Plastic Free Campus: The College promotes no use of plastics on campus. The students and the staff are motivated to avoid the use of single use plastic and non degradable products.

National Science Day: Every year, the Institute celebrates National Science Day on 28 February, to spread the message about the importance of Science and Technology and to display all the activities, efforts and achievements in the field of Science and Technology.
