Varun Dhakne's screen

Varsha applied for a job as PV executive, and will receive interview call soon. How should she start preparing for the interview?

- Practice interview questions, don't waste time in TV and games.
- Go through the job description, gather information about the company, update resume, brush up & update PV knowledge, anticipate questions and practice answering them.
- Start focusing on communication skills, read aloud accounts, focus on strengths.
- Update resume, prepare and practice for the questions, focus on accounts content, focus on strengths.
