Regular Students	21	Feedback Survey	15
Drop-out Ratio	12.5		

The student participation in the programme is driven by (a) the relevance of the programme in their individual career plans, (b) their understanding and conviction about the programme value and (c) their investment in the programme. A combination of all these factors leads to high participation.

2. Attendance Details

Attendance is driven by (1) certification eligibility criteria (CPBFI requires minimum 65% attendance), (2) training quality, which is a combination of trainer's command over subject, the pedagogy used and students' participation and (3) students' willingness and ability to attend. Non-availability of infrastructure and mandatory college events or family events have a big influence on students' ability to attend.

3. Performance in online Assessment Tests - Average Scores

Performance in online assessment tests is driven by the attendance and attentiveness of the students and by the training quality of CPBFI trainers. Students with higher attendance typically perform better than others.

4. Interview Performance

	Attended	Shortlisted	Success Rate
HR Workshop (HRW)	15	8	53.33%

A HR Workshop is conducted at the end of every batch, wherein recruiters from Bajaj Finserv and its subsidiaries, interview candidates for specific roles in BFSI industry. The recruiters shortlist candidates based on these interviews and provide us a list of candidates that they believe have a very high chance of being selected in a job interview. This independent assessment by professional recruiters is a good 'lead' indicator of employability.

Sucheta Ankur Dhoot	Insurance	60.00
Esha Kaur Arora	Communication	80.00

8. Comments from Bajaj Finserv CPBFI Team:

- **What worked well -**

The students who participated in HR workshop demonstrated a decent selection ratio. 60% of the students who participated in the feedback strongly agree that CPBFI was a right decision. The students also provided very encouraging feedback to all the faculties and about all the aspects of the batch.

- **What could have been better -**

The performance of the students in the online assessment could have been better and some of them have failed due to low performance & low attendance. There were about 6 students who did not appear for the HR Workshop. They would have learnt a lot from the experience.

We place on record our appreciation for the efforts put in by the coordinator, Prof. Nandkishor G. Rangari, and other staff in making the batch successful. Overall, some of the students have sincerely completed the program and performed well and we are confident, every one of them has a successful career ahead!

Thank you!!
