7.2 Best Practices

7.2.1- Describe two best practices successfully implemented by the institution as NAAC format provided in the Manual.

Best Practice -1

1. The Title of the Practice: Eco-friendly Campus Formation and Preservation

2. Objectives of the Practice:

- To Promote sustainable and eco-friendly practices
- To develop a sense of responsibility among students about environmental consciousness

3. The Context: Eco-friendly Campus brings about positive changes in the institution. This will increase the overall health of students, reduce absenteeism due to positive ambience, and result in better engagement due to hands-on-activity oriented learning.

4. Practice:

- Plastic Free Campus
- Proper solid, liquid and e-waste management system
- Hundred plus plants have been grown and nurtured
- Water Harvesting System to conserve water
- Use of LED lights to save energy
- Periodic Tree Plantation and Cleanliness Drive by NSS students
- Seminars and Conferences on Environment

5. Evidence of Success:

The practice has created awareness among the students. The students voluntarily participated in all the eco-friendly practices and this has changed their attitude. They realized their role to keep their environment clean and healthy.

6. Problem Encountered and Resources Required:

The main problem encountered in the formation of eco-friendly campus is development and maintenance of proper infrastructure. There should be the provision of separate funds for this practice.

Best Practice -2

1. The Title of the Practice: Promoting Awareness of Social Responsibilities among students, Staff and People in the society

2. Objectives of the Practice:

- To develop students into socially responsible citizens in the community
- To ensure leadership, community and team building skills in students

3. The Context: In today's fast-paced computer world, moral values and sense of social responsibilities seem to be disappearing. Social responsibility is a subject of great concern in higher learning today.

4. Practice:

The institution has organized the following programme during the session 2022-2023.

- Cleanliness Drive 19 Sept. 2022
- Non-violence Day Rally 22 Oct. 2022
- Blood Donation on 01 Jan. 2023
- Yoga Day on 21 June 2022
- Constitution Day 26 Nov. 2022
- Cleaning Roads and Drainage by NSS Volunteers on 22 Jan. 2023
- Dhamm Chakra Anuvartan Din 15th and Sixteen October 2022

5. Evidence of Success:

The practice has created awareness of social responsibilities among the students and people in general. The students learnt about various challenges and issues in the society and felt involved in contributing to the community and caring for environment and resolving problems.

6. Problem Encountered and Resources Required:

- Getting involvement of all the stakeholders in this social practice
- The survey of society at all levels for nurturing social project
- Time constraint is a major limitation
