Outline of the Event:

On 24th February 2023, seven students of the college participated in a state level students' seminar '*Scintillation*'23' organized by Bajaj College of Science, Wardha (M. S.) on the theme "*Current Trends in Basic Sciences*". Two faculty members Dr. Imran R. Mithani and Dr. G. G. Ramteke escorted them during the whole event. All the seven students delivered their talks on the subject of their choice taking guidance from the faculty members concerned with their subject of participation. Their performance was appreciated and esteemed by one and all. The event provided them a platform to display their hidden talent and made them capable to stand and delivered in front of experts in the subject. This participation proved to

be fruitful in making students more confident and analytical in their upcoming academic paths to success.
