Event: Study Tour

Date: 26/09/2022

Objective:

- 1) To aid students to acquire scientific binding and attitude to have a group experience to express their views and to exchange.
- 2) To lead to emphasize experimental learning and offer both group and self directed activities.

No. of participants = 101 students + 7 (teachers) = 108

Outline of Event

The Science Faculty, Dr. Ambedkar College of Arts, Commerce and Science, Chandrapur organized the educational tour to visit **CSIR- National Environmental Engineering Research Institute, Nagpur** on **26/09/2022**. Ninety eight students of B.Sc. and M. Sc.(Chemistry, Botany, Zoology, Physics, Electronics, Computer Science and Mathematics) and 7 faculty members, **Dr. N. C. Das, Prof. N. G. Rangari, Dr. I. R. Mithani, S. W. Patil, Ku. V. N. Dhote, Ku. P. B. Bhalerao and Ku. Pratiksha Beshare** attended the tour. The main purpose of the tour was to identify the progress made in the field of science and to develop necessary scientific approach among students and also awareness environment and also remedies about environmental pollution.

During the visit students attended the guest lecture on **Nuclear Power Generation and Radiation effect**. The show was very informative and students enjoyed and learnt a lot about the actual status of nuclear power system. They also observed and followed by the various scientific models, Science exhibitions organized by NEERI Nagpur. At last students were thoroughly motivated and their creativity had a booster by observing science exhibition expo accompanying various models prepared by the science students of different colleges of R. T. M. Nagpur University, Nagpur. Dr. Lal Singh, Senior scientist, has given information about different types of soils, constituents of soil and its impact.

After having lunch we visited research laboratory of Dr. Lal Singh and he has explained the how to measure the different parameters of soils such as, pH, nitrogen, potassium etc. Followed by the visit to the different laboratories, water analysis and determination of different parameters of water, laboratory of determination of fluorine.

Outcome of study tour

A study tour helped students appreciate their field of study more and it really helped them better realize the interaction between their chosen fields of study to the rest of the world. Guest lecture on Power Generation and Radiation effect was very effective to understand advantages of nuclear power in human life and also to overcome the misunderstanding about it. The visit to soil and water analysis research laboratory, students have acquired knowledge about environmental related issues.

To,
The Hon'ble Director,
National Environmental Engineering Research Institute
CSIR-NEERI, Nagpur

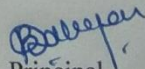

Subject: Regarding Permission for Educational Visit at National Environmental Engineering Research Institute, Nagpur.

Respected Sir,

As a part of curriculum, the students of B.Sc. and M. Sc. are required to undertake, educational visit to your well-reputed Institute, **National Environmental Engineering Research Institute (CSIR-NEERI), Nagpur** on dated 26-09-2022. There would be 80 visitors, including faculty members. I feel that this visit would help students in a better understanding of various concepts in order to have a better appreciation of practical applications of theory.

I hope you will give us the opportunity to tour your facility and meet your knowledgeable employees. I'm hoping for a favourable response from you.

Thanking you.
