**Specific facilities provided for women**

**a. Safety and security**

The college is committed to provide safe and secured environment for all the women staff and students. This objective of Womens' Safety is fulfilled through the following:

**Security Guards:**

The college is secured 24x7 by security guards who are vigilant about all the activities happening on campus. These guards check the students' ID cards at the entrance gate. They are present to monitor the students and staff movement at each and every floor of the building to ensure safe and conducive environment to all

**CCTV Camera:** The campus security is aided by strategic placement of CCTV Camera's across the campus. They are closely and continuously monitored in the office of Principal.

**Womens' Cell:** As per the guidelines of UGC, the Womens' Cell has been established by the college to provide the healthy atmosphere to the staff and the students of the college. The Womens' Cell is to create an environment of gender justice where men and women study and work together with the sense of personal security and dignity.

**b. Counseling:** Counseling is provided to the students through all the faculty members for any type of academic or scholastic support. Various Cells in the college take care of career counseling activities. The students are free to approach to any faculty for any issue or concerns. The confidentiality of the students and the issue is maintained by the counselor.

**c. Common Rooms:** A Girl's Common Room is a place on campus which provides the girl students with a comfortable environment. It has attached washrooms. Other than washrooms in the Girls Common Room, the college has two separate washrooms for girls across the campus. Also there are two separate washrooms for ladies staff of the college.

**d. Any other Relevant Information:** The institute promotes gender equity in admission, recruitment, administrative functionality and academic activities. The institute encourages girls student's participation in co-curricular and extra-curricular activities. Women faculty members are nominated, based on their ability, as heads of the departments and conveners of various committees.

Separate reading room is provided to the girls just beside the central library for their convenience.

**Entry for Girls in NCC:** In order to encourage the girls students the institute has given entry to them in NCC since the last four years. In session 2020-2021, there are eleven girls in the unit of fifty two cadets. The girls Cadets are motivated, supported and guided by the college to participate in camps and training programs.
